Your Royal Highness,

Nassima al-Sada is a woman whom Saudi Arabia should take great pride in. Her lifelong journey has been one dedicated to the improvement of women's freedoms and her vision of them being active members of an open, vibrant society.

But instead of embracing Ms. al-Sada, the authorities arrested her in July 2018 and placed her in solitary confinement for one year. Today, she is still behind bars. I respectfully call on you to request the release of Ms. al-Sada and all other detained women human rights defenders, immediately and without conditions.

Yours sincerely,

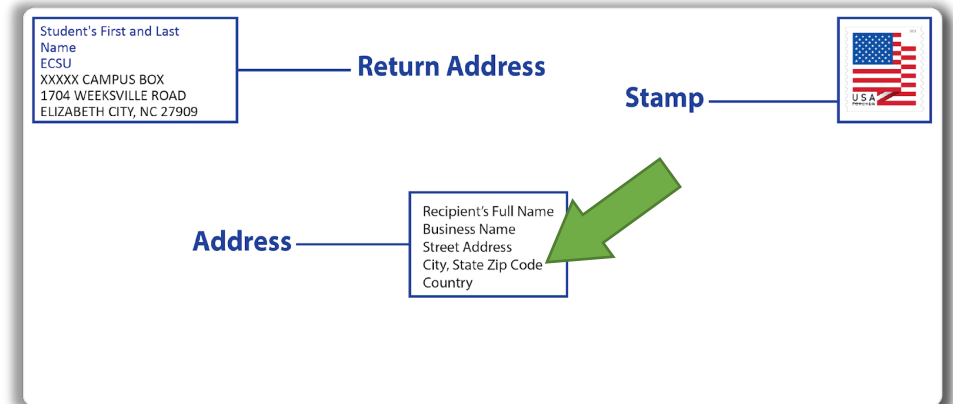

Signed \_\_\_\_\_
