Your Governor,

I urge you to use your power to grant clemency to Rocky Myers and commute his death sentence.

Myers' trial was flawed, with inconsistent testimonies and allegations of police pressure. Testimonies from key witnesses implicated another local man. One key witness against him admitted to lying and recanted his testimony. Rocky has no history of violence, and there was no forensic evidence tying him to the scene of crime.

The overwhelming white jury recommended a sentence of life in prison, yet the judge sentenced Rocky Myers to death. This use of "judicial override" is now illegal in Alabama.

Rocky Myers had insufficient legal representation and was abandoned by his post-conviction lawyer. As a result, he unknowingly missed deadlines for appeal. He also has an intellectual disability. Please do not let Rocky Myers be executed.

Sincerely,
