Dear Mark Zuckerberg,

I call on you to take responsibility for your company's contribution to the atrocities committed against the Rohingya people in Myanmar. Meta's algorithms amplified anti-Rohingya incitement, fueling the Myanmar military's violence.

Maung Sawyeddollah and his family were forced to flee Myanmar in 2017, when he was only 15 years old. Hatred and discrimination against the Rohingya people thrived on the Facebook platform due to Meta technology. Sawyeddollah and his community are calling on your company to pay reparations and fund education programs in Cox's Bazar refugee camp in Bangladesh, where they now reside.

Sawyeddollah believes that education will help build the shattered lives of people in his community.

Sincerely,
