Your Excellency,

I am writing to you regarding the Iranian rapper and Hip-Hop artist Toomaj Salehi. On 22nd June, Toomaj Salehi's lawyer announced that Branch 39 of Iran's Supreme Court overturned his conviction and death sentence for "corruption on earth", handed down by a Revolutionary Court in April 2024. Branch 39 of Iran's Supreme Court sent the case to a lower court for review.

Instead of prolonging legal proceedings against Toomaj Salehi, Iran's authorities must immediately and unconditionally release him. He should not be arbitrarily detained for peacefully exercising his human rights, let alone subjected to a litany of human rights violations.

Toomaj Salehi was arrested in October 2022 for expressing support for the Woman Life Freedom protests, and for peacefully criticizing the Iranian government for its human rights violations. He was subjected to torture and ill-treatment in detention, leaving him with a number of serious injuries.

Yours sincerely,
